### Upcoming HOUSTY Events —Hey 6th-8th Graders!

A reminder that the NFTY-TOR Junior Youth Group Retreat is this March! It is the week-end of March 21-23rd. Registration is open now at <http://www.nfty.org/tor/>. So be sure to sign up soon for early registration!

NFTY (North American Federation of Temple Youth) is divided into regions. The region that we are a part of is NFTY-TOR (Texas Oklahoma Region). All over this region there are Youth and Junior Youth Groups for Jewish teens. This retreat will have all the other synagogues and their respected Junior Youth Programs, including HOUSTY. This retreat is an amazing opportunity for your child for a few reasons. One reason being that they will get to meet and make friends with other Jewish kids their age from around the states of Texas and Oklahoma. It is a great introduction to the kids about how NFTY works on national, regional, and local levels. Also, it is a great way for your kids to truly experience all the great things that Greene Family Camp has to offer. So remember to sign up today for a great week-end full of activities!

Our goal is to have 20 HOUSTY kids sign up and represent HCRJ at the JYG Retreat. If we do reach that goal, then I will be shaving my head at the retreat. So whether you want to go to participate in the fun activities or see me get my head shaved, please sign up because it's going to be a blast!

~Max Williams (HOUSTY advisor)

## A Contemporary Sabbath Experience

Fill your soul with the rhythm of modern Jewish worship music. Fill your heart with the songs from your camp days. Fill our sanctuary with voices of prayer and joy as we celebrate the Sabbath with the popular melodies of Debbie Friedman, Jeff Klepper, Craig Taubman and many more. Stylistically, these contemporary melodies use guitar, piano, flute and percussion instruments to bring our worship alive in ways that are both inclusive and dynamic.

Join us on Friday night, March 21, for an uplifting Sabbath experience shaped by melodies that are growing in popularity throughout the country in the Reform Movement.
