

WRITE THE NEXT CHAPTER OF OUR STORY

For generations, the Torah has been the heart of Jewish life — handwritten with care, devotion and intention. Each letter carries meaning. Each word tells our story.

Today, HCRJ invites you to take part in a profound and lasting mitzvah, **the commissioning of a new Torah.**

This is more than a gift — it's a legacy. A Torah is not simply read; it is lived, celebrated and passed from generation to generation. By participating in this sacred project, you become part of an unbroken chain of tradition, ensuring that our community continues to learn, grow and gather around the Torah for years to come.
